SUMMIT RECAP

Alan Beaulieu of ITR Economics provided a timely keynote titled “Guidance in an Uncertain Economy” where he touched on 2021 business demand, forecasting, and leading indicators during our 8th Annual Business & Economic Summit on December 1st. Thank you to our members, facilitators and sponsors for making this event possible. Click here for a recap of his presentation. The recorded keynote is available for members only – [click here to access.](#)

LAUNCH BY COMPEL

Did you hear?! We are have a new program! It is called Launch by COMPEL - an 8-week "Business Bootcamp" beginning on February 1st. It's a program for start-ups and early stage companies focused on a series of workshops. Participants can learn how to successfully develop their company from industry leaders and experience record growth. December 31st is the last chance to register!

OUR PROGRAMS INCLUDE:

- 2-hour weekly workshops -> Led by our Facilitators & Members
- Bi-weekly 1-hour consultations -> To expand on weekly workshops
- Leave with practical skills -> Tactical skills for growing your business

COMPEL COMMERCIAL

We are very excited to announce COMPEL CEOs has it's very own **commercial!** Please share with anyone you know that may need guidance with their business.
